Love and Happiness

Mark Knopfler & Emmylou Harris

Here's a wishing well
Here's a penny for
Any thought it is
That makes you smile
Every diamond dream
Everything that brings
Love and happiness
To your life

Here's a rabbit's foot
Take it when you go
So you'll always know
You're safe from harm
Wear your ruby shoes
When you're far away
So you'll always stay
Home in your heart

You will always have a lucky star
That shines because of what you are

Even in the deepest dark
Because your aim is true
And if I could only have one wish
Darling then, it would be this
Love and happiness for you

Here's a spinning wheel
Use it once you've learned
There's a way to turn
The straw to gold
Here's a rosary
Count on every bead
With a prayer to keep
The hope you hold

You will always have a lucky star
That shines because of what you are
Even in the deepest dark
Because your aim is true
And if I could only have one wish
Darling then, it would be this
Love and happiness for you

And if I could only have one wish
Darling then, it would be this
Love and happiness for you

I Have a Dream

Abba

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream

I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness still
another mile
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream - I have a dream

Love You Every Second

Charlie Landsborough

Down the years
There'll be days
When we must be apart
So I bought this
small watch
For to measure the time
The inscription it carries

Comes straight
from my heart
To remind you
You'll always be mine

Love you every second
It's simple
But so true
Love you every second
Every second I live
I'll love you

When you feel
You're out fighting
This world on your own
Watch those hands
turning round
And remember that phrase
While there's
breath in this body
You won't be alone
So believe that old watch
When it says

Every moment is precious
So don't waste a one
For you'll never recover
A moment that's gone

Love can sometimes
Get lost
In an ocean of time
But my heart
will not change
And I want you to know
You possess every drop
God allows to be mine
I decided a long time ago

Every moment of time
I'll love you

Dance with my Father

Luther Vandross

Back when I was a child
Before life removed all the innocence
My father would lift me high

And dance with my mother and me and then

Spin me around till I fell asleep
Then up the stairs he would carry me
And I knew for sure
I was loved

If I could get another chance
Another walk, another dance with him
I'd play a song that would never, ever end
How I'd love, love, love to dance with
my father again

When I and my mother would disagree
To get my way I would run from her to him
He'd make me laugh just to comfort me
Then finally make me do just what my
mama said

Later that night when I was asleep
He left a dollar under my sheet
Never dreamed that he
Would be gone from me

If I could steal one final glance
One final step, one final dance with him
I'd play a song that would never, ever end
'Cause I'd love, love, love to dance with
my father again

Sometimes I'd listen outside her door
And I'd hear her, mama cryin' for him
I pray for her even more than me

I know I'm prayin' for much too much
But could You send back the only man
she loved
I know You don't do it usually
But Lord, she's dyin' to dance with my
father again
Every night I fall asleep
And this is all I ever dream
